Get paired with an upperclassman peer mentor!

Open to any freshman or transfer student

Your mentor can help you:

- Meet new friends
- Learn about your major from a student’s perspective
- Explore all that campus has to offer—Fitness center, basketball gym, study spots, concerts, and other events

Some favorite activities our mentors and mentees like to do:

- Play basketball at the Clark gym
- Have bubble tea in Chinatown
- Work out at the Beacon Fitness Center
- Be study buddies at the library or a coffee shop
- Check out some of the local museums or restaurants
- Take a Hubway bike ride along the Harborwalk

The Peer-to-Peer (P2P) mentoring program is offered through the Asian American Student Success Program (AASSP), an academic support office at the UMass Boston.
