Student Information Session

Who should attend:

UMass Boston students interested in learning about entrepreneurship opportunities!

Wednesday, September 26th 2012
5:00-5:50pm
Wheatley Hall, 3rd floor
Venture Development Center
Presentation Room

Presentation featuring
Dan Phillips
Director of the Entrepreneurship Center
Entrepreneur-in-Residence
Venture Development Center, UMass Boston

Please join in on a conversation with Dan on the following topics:

What is the Entrepreneur Economy in Massachusetts?
What are the Career Opportunities in the Entrepreneur Economy?
What Programs are available from UMass Boston to support entrepreneurship career development?
- Venture Development Center
- Entrepreneurship Center
- Student Entrepreneur Internship Program (StEP)
- Entrepreneurship Courses
- Workshops, Events, Mentorship and Scholarships

The Student Entrepreneur Program (StEP) is a program designed for students interested in building a career in the entrepreneur economy. Events, workshops, seminars, mentors, and paid internships with leading high tech start-ups are offered through this program.

Please RSVP and direct all inquiries to cmevents@umb.edu with subject line “Entrepreneurship Info Session.” Please visit www.ada.umb.edu for disability accommodations.
