

Elizabeth Warren

for Massachusetts

Internship

Location: Somerville, MA

Type: Internship

Min. Experience: Student (College)

The Elizabeth Warren campaign is looking for students and recent graduates to join our grassroots fight for middle class families this summer.

Campaign interns will assist with voter outreach efforts across the Commonwealth. Interns will engage voters and prospective volunteers through phone calls, will maintain campaign data, and will help keep our campaign offices running at full capacity.

Over the twelve-week program, the campaign's interns will work closely with regional field organizers and other campaign staff. Interns will participate in a training curriculum that develops campaign skills through hands-on organizing. They will also have opportunities to engage with and learn from senior campaign staff.

Campaign internships are unpaid. Candidates must be willing to commit to either 15 hours per week for a part-time internship or 40 hours per week for a full-time internship.
