Your Best Computer Value!

The EdutechU campus computing program is the trusted solution for many of the largest schools in the country and a smart way to purchase your next laptop, desktop or accessory. Plus, a portion of every purchase goes to support UMass!

EXTENDED SERVICE COMES STANDARD

- ✓ **Standard Warranty:**
 Your Dell PC comes with 3 year basic limited warranty and Next Business Day Onsite Service. This includes telephone or online hardware technical support, replacement parts for failed hardware components and Next Business Day, onsite repair services. Additional 4 and 5 year warranty protection upgrades are also available.

- ✓ **Complete Care Accidental Damage Coverage Upgrades Optional:**
 Repair or replacement services for system damages due to spills, drops, surges and other accidental damage not covered under your Limited Warranty. Most models allow you to upgrade up to 5 years of CompleteCare coverage to protect your investment.

- ✓ **School-Approved Models:**
 Your school branded site includes popular models and accessories approved by UMass for all students and selected to anticipate your computing needs for years to come.

- ✓ **Deep Program Discounts:**
 By combining the purchasing power of multiple programs, we can negotiate the best possible pricing. You won't find better prices on similarly configured and warrantied models.
