Rating

To keep your PC safe and secure we're offering McAfee® AntiVirus Plus for only \$9.99 (MSRP \$39.99). With it you'll be protected from:

**Viruses, spyware, and adware** | Detects, blocks and removes them

**Phishing** | Alerts you to websites that may try to steal your identity

**Spam** | Keeps your mailbox free from unwanted, fraudulent, and phishing emails

**Hackers** | Two-way firewall and identity protection allows you to confidently use the internet knowing hackers can't get access to your PCs.
