

Doctoral and Masters Program Graduation Data

Jennifer Brown, OIRP

Data from OIRP Enrollment and Degrees Conferred
Snapshot Files

March 5, 2008

Doctoral Programs

Clinical Psychology (CLA)

Higher Education Administration (GCE)

Leadership Urban Schools (GCE)

Gerontology (now in MGS)

ECOS/Environmental Biology /Environmental Science (CSM, combined for this analysis)

Public Policy (now in MGS)

Nursing (CNHS)

Computer Science (CSM)

Data Parameters

- Cohorts entering 1993 – 1999
- Nine Year graduation data
- Nursing – data on entrants from 1996-1999

- 1993-1999, 402 Doctoral students were accepted, the total graduating in nine years was 201

Entering Cohorts, Number & % of Graduates 1993-1999 by program

Doctoral Program	Total Starting Program between '93 and '99	Total Graduating in 9 Years	% Graduating
Clinical Psychology	56	48	86%
ECOS/Env Bio/Env Sci	57	21	37%
Nursing	23	13	57%
Computer Science	15	5	33%

Entering Cohorts, Number & % of Graduates 1993-1999 by program

Doctoral Program	Total Starting Program between '93 and '99	Total Graduating in 9 Years	% Graduating
HE Administration	77	47	61%
Leadership Urban Schools	59	26	44%
Gerontology	50	23	46%
Public Policy	65	18	28%

Looking the Other Way

- This means that five of the 8 programs graduate less than half of the students they accept within nine years of beginning the program
- Two of these do not graduate two thirds or more of those they accept

Masters Programs

- We have data for programs in CLA, CSM, GCE
- We are working on data for the other programs/colleges

- Entering cohorts – 1998 – 2002
- Data on number graduating is the number within four years

CLA Masters Programs

American Studies

Applied Linguistics

Applied Sociology

English

History Archival

History General

CSM Masters Programs

Applied Physics

Biology

Biotechnology

Chemistry

Computer Science

Environmental Science

GCE Masters Programs

Critical and Creative Thinking

Education

Educational Administration

Instructional Design

Marriage Family Therapy

Mental Health Counseling

Rehabilitation Counseling

School Guidance Counseling

School Psychology

Special Education

Number of Masters Students Entering Between 1998 and 2002

- CLA - 454
- CSM - 318
- GCE - 1251

Graduation Percentage by College

- CLA (6 programs) – 57%
- CSM (6 programs) – 63%
- GCE (10 programs) – 67%

Range of Masters Four Year Graduation Rates for Programs

- The numbers of students entering programs over the period '98-'02 range from 525 to 13
- The numbers graduating in four years range from 375 to 6
- The percentage of students graduating within four years ranges from 77% to 24%
