The RN-BS Program
The College of Nursing and Health Sciences, in conjunction with the College of Advancing and Professional Studies (CAPS), offers a Bachelor of Science in Nursing program for Registered Nurses. The RN-BS Program has a partnership with Cape Cod Community College to offer students flexibility of taking courses on the Cape.

Nursing courses are taught online and face to face web enhanced in the fall and spring sessions. These formats maximize accessibility and convenience for highly motivated, independent professionals.

Please note- the Cape Cod Cohort is a Spring Semester only start.

Accreditation
The baccalaureate degree program in nursing/master’s degree program in nursing/Doctor of Nursing Practice program and/post-graduate APRN certificate program at the University of Massachusetts Boston is accredited by the Commission on Collegiate Nursing Education, 655 K Street NW, Suite 750, Washington, DC 20001, 202-887-6791.

Faculty
You will be mentored by a world renowned faculty conducting research, advancing nursing knowledge.

Admission Requirements
All students seeking admission to the program must demonstrate a valid RN license in the Commonwealth of Massachusetts. All applicants are required to submit a completed application with all college transcripts and a letter of recommendation. Students are encouraged to write an essay; preferably about the impact obtaining a baccalaureate level degree will have on their nursing career.

For more information on transfer admissions or to apply online please visit www.umb.edu/admissions

Application Deadlines:
December 15 – Spring Term
Start Date: Late January
June 15 – Fall Term
Start Date: Early September
