**WISER instructions to search for first year or intermediate seminars:**

1. Log into your Wiser account
2. Go to the class search criteria page and enter the following data:
3. Course Subject: leave this field blank
4. Course Number: select ‘contains’ from the drop down menu field. Next to that, enter ‘1__G’ (in other words, the number 1, underscore, underscore, and the letter g) in the course number field. (To search for intermediate seminars, simply enter ‘2__G’ instead)
5. Course Career: use the default setting for ‘undergraduate’.
6. Click ‘Search’
7. This will generate a list of all current first year seminars

Below is a screenshot image of what you will see on Wiser.
