I. Definitions

1. Academic Period—a term or semester in an academic year or a summer session, as prescribed by the Board of Trustees or under their authority.

2. Continuous Attendance—enrollment at the University for the normal academic year in each calendar year, or the appropriate portion or portions of such academic year as prescribed by the Board of Trustees or under their authority.

3. Emancipated Person—a person who has attained the age of 18 years and is financially independent of his or her parents, or if under 18 years of age, (a) whose parents have entirely surrendered the right to the care, custody, and earnings of such person and who no longer are under any legal obligation to support or maintain such person; or (b) a person who is legally married; or (c) a person who has no parent. If none of the aforesaid definitions applies, said person shall be deemed an “unemancipated person.”

4. Parent
   a. the person’s father and mother, jointly;
   b. if the person’s father is deceased, the person’s mother; if the person’s mother is deceased, the person’s father;
   c. if a legal guardian has been appointed by a court having jurisdiction, the legal guardian;
   d. if either the father or mother is living and no legal guardian has been appointed, the person who then stands in loco parentis to the person;
   e. if the father and mother are divorced, separated, or unmarried, the parent who has been awarded legal custody of the person; or, if legal custody has not been awarded, the parent with whom the person lives. With respect to any adopted student, the word “adoptive” should be inserted before the words “father” and “mother” wherever used.

II. Classification

1. For the purpose of assessing tuition and fees, each student shall be classified as a “Massachusetts resident” or a “Non-Massachusetts resident.” A person shall be classified as a Massachusetts resident if he or she (or the parent of an unemancipated student) shall have resided in the Commonwealth of Massachusetts for purposes other than attending an educational institution for twelve months immediately preceding the student’s entry or re-entry as a student.

   Physical presence for this entire twelve-month period need not be required as long as the conduct of the individual, taken in total, manifests an intention to make Massachusetts his or her permanent dwelling place.

III. Determination of Residency

1. Proof of Residency
   a. Each case will be decided on the basis of all facts submitted with qualitative rather than quantitative emphasis. A number of factors are required to determine the intention of the person to maintain permanent residency in Massachusetts. No single index is decisive. The burden of proof rests on the student seeking classification as a Massachusetts resident.
   b. The following shall be primary indicia of residency:
      1. For unemancipated persons, the residency of parents, having custody, within Massachusetts;
      2. Certified copies of federal and state income tax returns;
      3. Permanent employment in a position not normally filled by a student;

   4. Reliance on Massachusetts sources for financial support;
   5. Former residency in Massachusetts and maintenance of significant connections there while absent.
   c. The following shall be secondary indicia of residency, to be considered of less weight than the indicia listed above in subsection b:
      1. Continuous physical presence in Massachusetts during periods when not an enrolled student;
      2. Military home of record;
      3. All other material of whatever kind or source which may have a bearing on determining residency.

2. Proof of Emancipation
   A student asserting that he or she is an emancipated person shall furnish evidence to support such assertion. Such evidence may include:
   a. Birth certificate or any other legal document that shows place and date of birth;
   b. Legal guardianship papers—court appointment and termination must be submitted;
   c. Statement of the person, his or her parent(s), guardian(s), or others certifying no financial support;
   d. Certified copies of federal and state income tax returns filed by the person and his or her parent(s);
   e. Where none of the foregoing can be provided, an affidavit of the emancipated person in explanation thereof and stating fully the grounds supporting the claim of emancipation.
IV. Appeals

Any student or applicant who is unwilling to accept the initial ruling relative to his or her residency classification may file a "Residency Reclassification Form."

Any student or applicant who is unwilling to accept the ruling relative to his or her residency reclassification may submit an appeal to the University’s Residency Appeal Committee. The decision by this committee is final and may not be appealed further.

V. Penalties

Misrepresentation in or omission from any evidence submitted with respect to any fact, which if correctly or completely stated would be grounds to deny classification as a Massachusetts resident, shall be cause for exclusion or expulsion from or other disciplinary action by the University.

In any case where the Admissions Office is unable to make an initial determination based on the evidence submitted, the applicant may be required to submit a “Residency Reclassification Form” to the Admissions Office for its review before being finally classified as a resident or a non-resident.
