Message Text:
Hi Megan,

This is a test to confirm that the link included in this email takes you to the Approval Worklist page.

Would you let me know if the link takes you to the desired page?

Thank you!

Charlene
Access Approval Worklist from the menu

4. Click on the Manager Self Service tile.

   NOTE: The tiles available to you depend on your security.

Actions available on Approval Worklist

5. Approval Transactions – Overview page will be displayed.

   The Overview tab shows all transactions pending approval for all expense documents. It may also show approvals for Roles other your own. You can limit the type of transactions you see by clicking on the tab at the top and choosing either Expense Reports or Cash Advances.

6. To see only a specific document type, select the appropriate tab. In the example below, the Expense Reports tab is selected.
7. To further narrow down the list of documents you see listed, expand the Search Pending Transactions section.
   a. Select the column to search for from the drop down list in the Column Name field.
   b. Select desired Expression and enter desired value in Criteria. Click Search.
Approve or Send Back documents

8. Transactions can be Approved or Sent Back for edits from the approval worklist. Expense documents can only be approved by this method if they have no errors or alerts, and have passed budget checking.
   a. To approve documents:
      i. Select desired document(s) by selecting corresponding checkbox
      ii. Click Approve
   
   ![Image of Approval Process]

   b. To send documents back:
      i. Select desired document(s) by selecting corresponding checkbox
      ii. Expand the Comments section
      iii. Enter comment
      iv. Click Send Back

   ![Image of Send Back Process]
9. Transactions with alerts or errors cannot be approved directly from the approval worklist.
   a. The approver must click on the Transaction ID to review/resolve any issues (see Step #10).
   b. Check to see if there is a duplicate expense. Some duplicates are legitimate. Example: “Other travel expense” used twice on same day will result in duplicate alert (One could be tips/gratuities and the other a taxi fare.)

10. To review a document before approving it, click on the Transaction ID hyperlink.

The following details should be included in NOTES section the report:
   o Dates of Travel
   o Destination
   o PI Name if funded on a grant
   o Per Diem Explanation
   o Detail, if spilt funded
   o Explanation of any unusual expense
11. Once you have reviewed the document, you can either approve it, or send it back to the user.
   a. To approve document, click **Approve** button.

   ![Diagram of the approval interface with an Approve button highlighted.]

   b. To send the document back:
      i. Expand the **Comments** section
      ii. Enter comment
      iii. Click **Send Back**
