A CHAMPION ON THE FIELD AND IN THE COMMUNITY

UMass Boston Athletics encourages our student-athletes to discover and nurture the “total person” who enriches the world and brings honor to their friends, families, teammates, and university. Our goal is to encourage every student-athlete to be a champion on the field and in the community, which is why our intercollegiate athletic teams take part in over 40 community service events throughout the year.

As the university grows, we’ll continue serving the needs of our community while enriching the lives of our student-athletes, and continue to push towards the goal of building future leaders.

Our student-athletes contribute over 2,000 hours of community service each year to local non-profit organizations.
