August 10, 2020

Dear Beacons and Beacon parents,

As we prepare for the start of a rather unique semester at UMass Boston, we are writing with some very important information.

Your Fall 2020 bill has been issued and is available for you to view online through WISER. To access your bill online, please log in to WISER/Flywire using your WISER login or Authorized Payer login ID. The due date for Fall 2020 bills is September 1st, 2020.

As you know, nearly all activities and coursework this semester will be conducted remotely, as described in the Chancellor’s fall planning announcement in June. Please visit our COVID-19 website for information about what to expect as we approach the start of classes.

These are unprecedented times in nature and scope. The University will continue to make decisions based on the mutual goals of providing engaging and high-quality instruction while safeguarding the health, safety and wellness of our students, faculty, staff and surrounding communities. We are faced with difficult choices and are making decisions based on the best data, information, direction, and guidance available from local, state and federal health and safety experts.

In making this payment, and in confirming that you intend to enroll at UMass Boston for the fall 2020 semester, you acknowledge and accept the level of services we provide as adequate and acceptable given the difficult circumstances we all face during this time.

Further, when enrolling in classes at UMass Boston, regardless of teaching mode, you are agreeing to pay all fees associated with your enrollment and you are aware of the withdrawal schedule as it relates to fee adjustments. Students who have unpaid balances beyond published due dates may be subject to sanctions, withdrawal and collection fees.

Please visit the Bursar’s office website for more information and updates.

Wishing you good health,

Jimmy Sam
