The Town of Provincetown, led by the Harbor Committee and the Office of the Harbormaster, is embarking on an update of the 2012 Provincetown Harbor Plan.

The Harbor Plan serves as a guide for public and private decision making on the future of the harbor and waterfront.

Public input during the planning process is essential for the plan to reflect the community’s needs and desires. All are welcome to come learn about the planning process, ask questions, and provide comments.
