Using the Course Wizard

1. Go to www.umb.edu. Click on the WISER tab located at the top of the page.

2. Scroll past the login links, find the heading **Searching for Courses** and click on **Course Wizard**.

3. On the left side, under the heading **Course Search** click on **Search for Courses**.

4. Select the semester you would like to search for classes. You can search for many different things: status (open/closed), course name, meeting pattern, distribution area, and diversity area.

5. Scroll to the bottom of the page to **General Ed Distribution** and use the drop down menu to select the distribution that you would like to find courses for. You can also select **All Distributions** to broaden your search.
6. If you want to choose a course that satisfies a Diversity Area, use the drop down menu. You can also select **All Diversity Areas** to broaden your search.

8. After clicking submit, you will see the results of your search. The **Attributes** column will show you which requirements the class will fulfill. Before you write down the class number, make sure to click on more info to read the course description. If you mouse over **More Info** on the course description page, you can see if the course is open or closed.
