ACADEMIC PROGRAM CHANGE APPROVAL PROCEDURES
University of Massachusetts Boston

Procedures for initiating, terminating, or making substantive changes to academic programs at the University of Massachusetts Boston are consistent with:

- University of Massachusetts Procedures for University Approval of New Academic Degree Programs, Program Changes, and Program Termination (Doc. T92-012, as revised 8/6/97)
- Massachusetts Board of Higher Education Procedures for New Academic Proposals and Program Changes, Public Institutions of Higher Education (as amended June 14, 2007.)

Required signatures for proposed changes are listed below, and must appear on the attached Academic Program Changes Approval Form. At each level of review, it is the responsibility of the signatory to forward the form to the next level of review. A signed copy of a letter from the president or the Board of Higher Education approving the proposed change may be appended in lieu of the president’s, or Board of Higher Education chair’s signature. A Faculty Council motion to approve the proposed change that has been signed by the provost and chancellor may be appended in lieu of their signatures. After the necessary signatures have been obtained, the proposed change will be implemented.
