University of Massachusetts Boston
BASICS Participation Agreement

I have been required to participate in the Brief Alcohol Screening and Intervention for College Students (BASICS) program at UMass Boston. I understand that this program is highly utilized at many colleges and universities to offer students the opportunity to have a conversation examining their attitudes and behaviors around alcohol with a trained BASICS facilitator.

The BASICS program includes two meetings with my facilitator and the ‘360Proof’ online self-assessment and personal feedback tool. My facilitator will fully explain the BASICS process to me during our initial meeting. I understand that for my BASICS requirement to be considered complete, I must attend all meetings and complete all homework associated with the program.

I understand that my BASICS meetings are not counseling sessions. Any conversations that occur during my BASICS meetings, and any paperwork that is generated, will be handled with privacy according to the Family Educational Rights and Privacy Act (FERPA).

Once I have completed BASICS, it is my responsibility to bring a copy of this form back to the Office of the Dean of Students. I will be provided a copy of this form upon completion for my own records.

The contact information for the BASICS facilitator assigned to me is below. It is my responsibility to contact this person to arrange for our first appointment.

Name: ________________________________
Email: ________________________________
Phone: ________________________________

________________________________________   _____________
Student Signature        Date

VERIFICATION: To be completed by BASICS facilitator. The student is responsible to return this form to the Office of the Dean of Students. The student will keep the original for their records.

BASICS Meeting 1 Date ___________   Facilitator Signature _____________________________

BASICS Meeting 2 Date ___________   Facilitator Signature _____________________________
