Problem: The information in WISER is for the wrong Campus or Term.

Solution: User Preferences determine the defaults for other pages in WISER. They can be reset.

From the Student Center in WISER, scroll down and click on the User Preferences link under Personal Information.
### Updating User Preferences in WISER

On the User Preferences page, make the following changes:

<table>
<thead>
<tr>
<th>Institution</th>
<th>Uni. Of Mass Boston</th>
</tr>
</thead>
<tbody>
<tr>
<td>Academic Career</td>
<td>Leave blank</td>
</tr>
<tr>
<td>Term</td>
<td>Leave blank</td>
</tr>
<tr>
<td>Aid Year</td>
<td>Leave blank</td>
</tr>
</tbody>
</table>

Leaving fields blank will force pages to either default to the current or provide a prompt to choose.

#### User Preferences

To facilitate your navigation through the different pages, and to avoid having to select the generic values, you may default your most commonly used values for the following fields. Other values will remain available for selection as appropriate for each feature.

- **Institution**: University of Mass Boston
- **Academic Career**: Leave blank
- **Term**: Leave blank
- **Aid Year**: Leave blank
