Preamble: The University of Massachusetts Boston (“University”) is in an urban 21st Century research setting, and is therefore an inseparable part of the local community and surrounding neighborhoods. The Code of Conduct (the “Code”) is established to set clear community standards of respect for persons, property, the University community, and the process and procedures addressing unacceptable conduct in which these standards will be governed. This Code reflects the University's mission and identity, and it exists to maintain and protect an environment conducive to learning. Consistent with that purpose, reasonable efforts will be made to take an educational approach to address violations of University policies in order to assist students in learning from their mistakes and understanding how their behavior impacts others while the University maintains the welfare of the community as a whole. The Code is set forth in writing to give students general notice of prohibited conduct. The descriptions of prohibited conduct should be read broadly and are not designed to define expectations or misconduct in exhaustive terms.

Because the Code is based on shared values among members of our University community, it sets a broad range of expectations for students no matter where or when their conduct may take place. Generally, the Code is not limited to behavior within the formal boundaries of the University premises. Therefore, the University reserves the right to take necessary and appropriate action to protect the safety and well-being of the University community, to protect the continuing operation of the University, and to serve as a model representative of the greater Boston community.

Each student and Student Organization is responsible for reading, reviewing, and abiding by the standards of conduct set forth in the Code, as well as the rules, regulations, policies, and procedures contained in other official University publications and announcements. Notification of a Code violation or decision of a Code violation is issued to a student through the student’s University email account.
General Expectations
Each member of the University community enjoys the same basic rights and is expected to respect the rights of others. Those rights include but are not limited to:

- freedom from personal abuse and threats of violence;
- access to all University services, programs, and activities;
- a supportive learning environment that enables all to participate fully within the University.

Membership in the University community is a privilege for those who are invited to join. Becoming a student brings a responsibility to adhere to the values of the University community. Some of these core values include:

- Maximizing teaching and learning relationships.
- Promoting personal and professional growth.
- Fostering the University’s responsibility to the public.
- Increasing diversity and global awareness.
- Serving as an agent of social justice.

University students and student organizations, teams, and groups who breach the trust and values extended to them by violating a university policy(ies), shall be held accountable for their actions. The Code defines the responsibilities of students and provides a process for responding to allegations of student misconduct in a way that accords with the values of the University.

Part I: Student Conduct Authority

Ultimate authority for student discipline is vested in the Board of Trustees of the University of Massachusetts. Disciplinary authority is delegated to the Chancellor of the University of Massachusetts Boston, who in turn has delegated authority over student conduct to the Vice Chancellor for Student Affairs and authority for student academic dishonesty to the Provost and Vice Chancellor for Academic Affairs.

The University reserves the right to change the provisions of the Code in accordance with University policies or the law whenever such action is deemed appropriate or necessary. The University will publish such amendments in relevant campus publications and on the Office of the Dean of Students website.

Questions, comments, and suggestions, should be forwarded to the Office of the Dean of Students. The Code may be reviewed annually by the Office of the Dean of Students.

Part II: Definitions: The following selected terms are defined in an effort to facilitate a more

Where alcohol or other substances are involved, incapacitation is determined by how the substance impacts a person’s decision-making capacity, awareness of consequences, and ability to make informed judgments. For purposes of this Policy a person is not incapacitated merely because the person has been drinking or using drugs. The question of incapacitation is determined on a case-by-case basis using both objective and subjective standards. In evaluating whether a person was incapacitated for purposes of evaluating effective consent, the University will consider: (1) whether the person initiating the sexual activity knew that their partner was incapacitated; and if not (2) whether a reasonable person in the same situation would have known that their partner was incapacitated; and (3) whether the person initiating the sexual activity played a role in creating the circumstances of incapacity.

The Code shall apply to a student’s conduct even if the student withdraws from the University while a student conduct matter is pending.

2. Generally, University jurisdiction shall be limited to conduct that occurs on or about University premises or in connection with University-sponsored, University-supervised or University-affiliated events, programs, and activities (including students involved with off-campus internships, study abroad programs, the virtual classroom of email, chat rooms, conferences, telephony, and web activities associated with courses). This jurisdiction also extends to unrecognized Student Organizations. However, the University reserves the right to apply The Code to students whose misconduct has a direct and distinct adverse impact on the University community, its members, and/or the pursuit of its objectives regardless of where such conduct may incur. Should the Dean of Student’s office reasonably determine that a particular alleged act of off-campus misconduct falls within the jurisdiction of the University, the case will be referred to the University student conduct system. The Dean of Students will provide a report to the Faculty Counsel each Academic Year regarding the frequency of these situations.
3. University student conduct proceedings may be instituted against any student charged with conduct that potentially violates The Code. Student’s alleged conduct may also result in criminal prosecution or civil liability. In cases where there are criminal proceedings, The Code may be carried out prior to or simultaneously with civil or criminal proceedings at the discretion of the Office of the Dean of Students. The University cooperates with law enforcement, or other agencies, in the enforcement of laws on campus and in regard to its students. This includes providing information requested by subpoena or as otherwise permitted by law.

Determinations made or sanctions imposed under The Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of University rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.

4. Sexual violence, including but not limited to, sexual assault and sexual exploitation, dating violence, domestic violence, stalking, sexual harassment, are prohibited and adjudicated under The Code of Conduct.

5. Discrimination and discriminatory harassment are prohibited by the University of Massachusetts Non-Discrimination Policy. (https://www.umb.edu/odi)

6. Generally, the influence of drugs and/or alcohol on a student’s judgment or behavior will not be accepted as a mitigating factor with respect to the resolution of an act of misconduct.

7. Students are responsible for the consequences of their actions even when the conduct may have been influenced by their physical or emotional state (irrespective of any medical or clinical diagnoses).

8. Students are responsible for the contents of their residence hall rooms, cars, lockers, club spaces, or person if they are aware of their contents, regardless of claims of personal ownership. Students may also be held responsible for shared common areas. Students need not be present or notified when an authorized inspection (including a warrant, or the Residence Life Agreement) is conducted.

9. Students and Student Organizations are responsible for the conduct of their guests and should be with guests at all times when on campus or at University-sponsored events.

10. If an incident report involves more than one charged student, or if there is more than one incident involving the same student, the Office of the Dean of Students, or designee, in his/her discretion, may determine whether an Administrative Conference and/or Investigation concerning each incident may be conducted either separately or jointly.

11. Student Organizations.
a. Student Organizations may be held accountable under The Code for the Student Organization’s misconduct and/or for the misconduct of any one or more of its leaders, members, guests, or other representatives, when on campus, or at a University-sponsored event. This includes hosting a non-student who commits a violation.

b. The Student Organization must designate one Student Organization Representative by written notice to the Office of the Dean of Students, or designee, within three (3) days of being sent notice of alleged violations of The Code. The Student Organization Representative will represent the Student Organization during the Student Conduct process.

c. Review of allegations of misconduct of individual student members will be determined under The Code prior to determination of Student Organization alleged violations.

d. Student Organizations are prohibited from conducting their own disciplinary proceedings prior to resolution of alleged violations of The Code.

e. Nothing in The Code shall preclude holding students who are members of a Student Organization responsible for their individual violations of The Code committed in the context of or in association with the Student Organization’s alleged violation of The Code. Both the Student Organization and individual students may be found responsible for violations of The Code in connection with the same behavior.

f. The Student Organization Representative is required to notify the Student Organization’s advisor of any alleged violations of The Code and any sanctions imposed.

B. Conduct Rules and Regulations

Students and Student Organizations must uphold The Code and obey University policies, rules, and procedures as well as federal, state, and local laws. The Office of the Dean of Students, or designee, shall make the final determination on what constitutes a potential violation of The Code and shall establish the specific behavioral allegations(s) as appropriate.

Good Samaritan Procedures

The University of Massachusetts Boston considers the safety and personal well-being of members of the University community a priority. The University recognizes that there may be alcohol or drug-related medical emergencies or other safety emergencies in which the potential for disciplinary action could act as a deterrent to students who want to seek assistance for themselves or others. To promote reporting of such instances, the University
Amnesty for Students Involved in allegations of Sexual Harassment, Sexual Violence, Dating Violence, Domestic Violence, and Stalking

The University has a special concern for incidents which involve sexual violence, sexual harassment, gender-based harassment, domestic violence, dating violence, stalking or retaliation. Such incidents damage not only individuals, but also the free and open academic environment of the University.

Additionally, there is an awareness that students might not report such incidences out of concern that they, or witnesses, might be charged with violations of the Universities’ policies. While the University does not condone such behavior, it places a priority on the need to address sexual violence and harassment. Accordingly, the University may elect not to pursue discipline violations against a student who, in good faith, reports, witnesses or possesses personal knowledge of sexual violence, harassment, gender-based harassment, domestic violence, dating violence, stalking, or retaliation.

Prohibited Conduct

The following list of behaviors is intended to represent the types of acts that constitute violations of The Code. Although the list is extensive, it should not be regarded as all-inclusive. All students are responsible for knowing and observing all Policies.

Harassment may also include, but not be limited to, a written, oral or electronic communication or physical act or gesture based on any actual or perceived differentiating characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity or expression, socioeconomic status, academic status, physical appearance, or mental, physical, or by association with an individual or group who has or is perceived to have one or more of such characteristics.

In determining whether an act constitutes harassment, The Office of the Dean of Students will consider the full context of any given incident, giving due consideration to the protection of the members of the University community, and the individual rights, freedom of speech, academic freedom, and advocacy required by law. Please note that not every act that might be offensive to an individual or a group necessarily will be considered a violation of The Code.

Definition of Terms:

a. Coercion is the use of an unreasonable amount of pressure to engage in sexual activity. Coercion does not begin when the initiator makes an initial sexual advance. Coercion begins when the initiator continues to pressure another, through the use of psychological/emotional pressure, alcohol, drugs, threat, intimidation, or force, to engage in sexual behavior, when a reasonable person would realize that the other does not want to engage in sexual activity.

b. Consent is permission to engage in communication and/or a specific, mutually-agreed upon sexual activity that is given freely, actively, and knowingly, using mutually understandable and unambiguous words or actions, or—in plain language—to agree to do the same thing, at the same time, in the same way, with each other.

- Consent cannot be inferred by silence, passivity, or not resisting;
- Consent cannot be implied by a current or previous dating or sexual relationship;

c. Incapacitation is the physical and/or mental inability, whether temporary or permanent, of an individual to make rational, reasonable decisions, or judgments regarding one’s well-being or welfare. States of incapacitation include, but are not limited to, unconsciousness, sleep, and blackouts. Incapacitation may result from the voluntary or involuntary consumption of alcohol and/or other drugs. Where alcohol or other substances are involved, incapacitation is determined by how the substance impacts a person’s decision-making capacity, awareness of consequences, and ability to make informed judgments. For purposes of this Policy a person is not incapacitated merely because the person has been drinking or using drugs. The question of incapacitation is determined on a case-by-case basis using both objective and subjective standards. In evaluating whether a person was incapacitated for purposes of evaluating effective consent, the University will consider: (1) whether the person initiating the sexual activity knew that their partner was incapacitated; and if not (2) whether a reasonable person in the same situation would have known that their partner was incapacitated; and (3) whether the person initiating the sexual activity played a role in creating the circumstances of incapacity.

Incidents Involving allegations of Sexual Harassment, Sexual Violence, Dating Violence, Domestic Violence, and Stalking: In addition to the complaint procedures outlined below, the Dean of Students or designee, will provide both the Complainant and Respondent information provided in the University of Massachusetts Boston Procedures Regarding Sexual Violence and Sexual Harassment (umb.edu/sexualrespect)

Conduct Officers may involve or seek input from other University Officials in any or all parts of the student conduct procedures as they deem appropriate, such as University Officials from the Office of Student Involvement & Leadership or the Department of Athletics and Recreation with respect to Student Organization Respondents.

A. Allegations

1. Any person may file a report regarding any student or Student Organization alleging misconduct. To initiate the Student Conduct Process, reports shall be prepared in writing and directed to the Office of the Dean of Students or to a designee. A report should be submitted as soon as possible after the alleged misconduct takes place.

2. The Office of the Dean of Students, or designee, shall determine if a complaint alleges or addresses a potential violation of The Code and will notify the Respondent within five (5) business days after receiving information regarding such allegations. The decision to continue a complaint through the Student Conduct Process is the decision of the Office of the Dean of Students, or designee.

3. Generally, the Office of the Dean of Students, or designee, will assign a Conduct Officer(s) to the case who will investigate, schedule a conference with the Respondent(s) and other individuals as deemed necessary and appropriate.

4. The Office of the Dean of Students, or designee, will determine what testimony, witnesses, or other information is relevant and may exclude information or witnesses
that are deemed immaterial and/or irrelevant.

5. The Office of the Dean of Students, or designee, may consult with the Office of Student Involvement and Leadership, the Department of Athletics and other relevant University Officials regarding allegations regarding Student Organizations or that imply Student Organization involvement.

B. Informal Resolution/Educational Conference

1. The Office of the Dean of Students, or designee, reserves the right to schedule an informal resolution/educational conference to discuss the behavior of students and its impact on the mission of the University. Conferences may result in an action plan agreed on by all parties to address the behavior. If the action plan is not honored, the university reserves the right to initiate a formal review under The Code.

2. Examples of incidents that may be adjudicated by an Educational Conference include, but are not limited to: minor disruptions and/or educational or behavioral concerns.

3. Educational conferences are typically scheduled within ten (10) business days upon receipt of a report of a potential violation of The Code.

C. Adjudication by Letter

1. The Office of the Dean of Students, or designee, shall determine the appropriateness of adjudicating an incident by letter. In such cases, a student shall receive an emailed letter from the Conduct Officer outlining the violations, findings of responsibility, and sanctions within five (5) business days from receipt of notification of alleged violation.

2. Student will have the opportunity to appeal said findings and sanctions within three (3) business days. Appeal form can be found here: umb.edu/maxient

3. If students choose not to appeal the decision communicated by letter, the findings and sanctions will be considered final.

4. Examples of incidents that may be adjudicated by letter include, but are not limited to: off-campus incidents, violations of the Residence Hall Agreement, and minor alcohol/drug offences.

D. Administrative Conference

1. The Administrative Conference is a meeting between a Respondent and a Conduct Officer to review a complaint/incident, explain the Student Conduct Process, and possible options for resolving the matter.

2. Typically, students will be notified of an Administrative Conference within five (5) business days upon receipt of report of alleged violation.
3. After reviewing the incident with the Respondent, the Conduct Officer will determine appropriate allegation(s) and/or violation(s), if any, and whether or not the situation may be resolved by way of an Administrative Conference Agreement or by an Investigation/Administrative Review. Respondents can also request an Investigation/Administrative Review. Requests for an Investigation/Administrative Review will typically be granted.

4. If the Respondent does not schedule or attend a conference by the date specified, or if the Respondent schedules a conference, but does not attend or attends but does not participate, the incident may be referred to an Investigation/Administrative Review.

5. If the Conduct Officer and Respondent are able to resolve the incident regarding the allegation(s) and/or violation(s), but not the sanctions, the matter shall be referred to an Investigation/Administrative Review for Sanctions.

6. A Respondent who agrees to resolve any allegation(s) and/or violation(s), and/or sanctions at an Administrative Conference shall have no right to appeal.

E. Investigation/Administrative Review for Allegations and/or Violations:

1. If a situation cannot be resolved in an Administrative Conference, an investigation will be conducted by the Conduct Officer.

2. If the Respondent does not schedule or attend a conference by the date specified, or if the Respondent schedules a conference, but does not attend or attends but does not participate, the Conduct Officer may complete the investigation based on the information obtained. This includes the use of police investigation reports.

3. The Complainant, any alleged victim, and the Respondent shall each have the right to:

e. Present relevant information, including names of witnesses, questions for witnesses (including the individual reporting the misconduct), and other documentation regarding the incident.

f. Be accompanied by one advisor during any conduct meeting in which the student or Student Organization is participating. findings of responsibility. The Administrative Review Committee may adopt the
Conduct Officer’s report, consult with the Conduct Officer, request that further

G. Determination of Facts Relative to an Alleged Violation

1. The standard used in determining whether or not the Respondent violated The Code, is a preponderance of the evidence (whether it is more likely than not that a violation occurred).

H. Sanctions

1. If the Respondent is found responsible for violating The Code, appropriate sanctions will be imposed. Sanctions are determined by considering the nature of the misconduct, precedent regarding such misconduct, the Respondent’s conduct history, Respondent’s present demeanor, the community impact statements, and/or mitigating or aggravating factors. With respect to Respondents that are Student Organizations, Student Conduct Officers will obtain recommendations of, and other applicable University departments and offices and may also include a review of, the conduct history of the Student Organization, including individual members of the Student Organization.

2. Sanctions for students found responsible for violations involving sexual harassment, sexual violence, domestic violence, dating violence, or stalking, include, but are not limited to: warning, disciplinary probation, loss of privileges, relocation of residence, restriction from facilities or activities, temporary or permanent residence hall suspension, fines and/or restitution, disciplinary hold, assessment, educational program or project, revocation of admission or degree, withholding of degree, probation, suspension, expulsion,

3. The University has a special concern for incidents in which persons are mistreated because of race, gender, disability, age, marital status, religion, color, national origin, sexual orientation, gender identity, gender expression, veteran status, genetic information, or other personal characteristic. Such incidents damage not only individuals, but also the free and open academic environment of the University.

4. Some University policies specify sanctions for violations. See individual policies for sanctions required, if any.
5. A campus department, separate from the Office of the Dean of Students, may place a restriction on a student or Student Organization found responsible for violating The Code.

6. In addition to other mitigating and aggravating factors considered in connection with imposing sanctions, additional factors may be considered with respect to Student Organizations including, but not limited to:

   a. The role of leaders and the seniority of the members of the Student Organization involved in the behavior supporting the violation;
   b. Whether leaders had knowledge of the misconduct before or while it occurred and failed to take corrective action;
   c. The number of members of the Student Organization involved in the behavior supporting the violation and the extent to which members acted in concert in connection with such behavior;
   d. Whether the leaders of the Student Organization self-reported the behavior underlying the violation;
   e. The extent to which the Student Organization leaders and members cooperated, responded honestly to questions, and accepted responsibility for the behavior underlying the violation;
   f. The misconduct involves a violation of the University’s Hazing Policy, Alcohol Policy, Drug Free Policy, or violation of law.

7. The following sanctions may be imposed, individually or in various combinations, on any student found to have violated The Code. In the interest of creating a clear and transparent policy, the following list establishes the potential sanctions that the University may impose to address first-time violations of specific behavior. Please See Appendix C.

Sanctions will be determined based on the nature, severity, and impact of the violations, and they will be imposed in progressive levels. Please note that this is not an exhaustive list of sanctions:

   a. **Expulsion**: Permanent separation of the student from the University. A student who has been expelled is prohibited from participating in any University activity or program. The individual may not be in or on any University premises. Students found in violation of this restriction, including attempts to enter lands or buildings of the University, will be subject to immediate arrest for trespassing under Massachusetts General Law (M.G.L.) M.G.L. c. 266, s. 120. Please be aware that the student’s academic record may be updated to reflect an expulsion, including any grade change which might be assigned.

   b. **Suspension**: University Suspension is a separation from the University for a
designated period of time. Students who are suspended from the University are restricted from all University premises and activities, including but not limited to, course registration, class attendance, participation in co-curricular activities, and University housing. Students found in violation of this restriction, including attempts to enter lands or buildings of the University, will be subject to immediate arrest for trespassing under M.G.L. c. 266, s. 120. Please be aware that the student’s academic record may be updated to reflect a suspension, including any grade change which might be assigned. Students who have been separated from the University for a period of time must apply for re-admission to the University and also meet with the Office of the Dean of Students, or designee, two weeks prior or earlier to the next registration period for which the student is eligible to review any outstanding sanctions and the readmission process.

c. **Probation**: Probation is a set period of time during which the Respondent is given the opportunity to modify unacceptable behavior, to complete specific assignments, and to demonstrate a positive contribution to the University community in an effort to regain student privileges within the University community. Please be aware there is the possibility of University Suspension or University Expulsion if the student is found responsible for a subsequent violation or Loss of Recognition with respect to a Student Organization found responsible for a subsequent violation. Additionally, as students and organizations which are on probation are not considered to be in good disciplinary standing with the University, this may impact their ability to participate in intercollegiate athletics, represent the University, student leadership positions, study abroad opportunities, extracurricular, and/or residence life activities.

d. **Warning**: A written notice that the Respondent has violated University policy or The Code and a warning that another violation will likely result in more severe sanctions which could include University Probation, Temporary or Permanent Residence Hall Suspension, University Suspension, or University Expulsion, or Loss of Recognition with respect to a Student Organization.

e. **Permanent Residence Hall Suspension**: Permanent separation of the student from the residence halls.

f. **Temporary Residence Hall Suspension**: Temporary separation of the student from the residence halls for a specific period of time, after which the student may reapply for housing. Reapplication for housing does not guarantee immediate placement. Conditions for returning to the residence halls may be specified.

g. **Deferred Residence Hall Suspension**: A period of time in with the Respondent will be subject to removal from the residence hall for any additional documentation. A Respondent on Deferred Residence Hall Suspension will not be eligible to apply for housing.

h. **Housing Probation**: A period of time during which the Respondent may be
subject to removal from the residence halls if there is an additional documentation.

i. **Relocation of Residence**: Required assignment to another residence area.

j. **Loss of Privileges**: Denial of specified privileges for a designated period of time.

k. **Restriction**: Denial of access to any campus facility, activity, class, or program. This includes No Contact Orders.

l. **Fines**: Financial sanction.

m. **Disciplinary Hold**: A hold may be placed on a student’s account. This may impact the student’s ability to register for classes, obtain certain academic records, or register for housing.

n. **Restitution**: Compensation for loss, damage, or injury. This may take the form of appropriate service or monetary or material replacement.

o. **Community Restitution Project**: Assignment of an appropriate service project that will benefit the University community, responsible student, or others.

r. **Revocation of Admission or Degree**: Admission to the University or revocation of a degree awarded from the University may be revoked for fraud, misrepresentation, or another violation of The Code in obtaining the degree or for other serious violations committed by a student after admission or prior to graduation.

s. **Withholding Degree**: The University may withhold awarding a degree otherwise earned until the completion of the disciplinary process set forth in The Code, including the completion of all sanctions imposed, if any.

8. The following sanctions may be imposed upon any Student Organizations found to have violated The Code. Please note that this is not an exhaustive list of sanctions:

   a. Those sanctions listed above.
   b. **Loss of Recognition**: Loss of all University privileges for a designated period of time. Loss of recognition for more than two consecutive semesters requires
a Student Organization to reapply for University recognition. Conditions for future recognition may be specified. Students may not continue to participate or associate in a Student Organization or accept further members during any Loss of Recognition.

c. **Disciplinary Hold.** A hold may be placed on the Student Organization’s ability to use all or specified University privileges.

**I. Appeals**

1. A decision reached through an Administrative Conference cannot be appealed.

2. In regard to violations of Sexual Harassment, Sexual Violence, Dating Violence, Domestic Violence and Stalking, both the complainant and the respondent have the right to file an appeal.

3. A decision reached through the Administrative Review Committee may be appealed by the Respondent(s) or Complainant(s) or victim(s), when legally appropriate, to an appellate body board within five (5) business days of the decision. Only the Student Organization Representative may submit an appeal on behalf of a Student Organization Respondent.

4. All appeals shall be submitted through the online form found here: umb.edu/maxient

5. The appeal form must state the reasons for the appeal and provide information as to the basis of the appeal.

6. Except as required to explain the basis of new information, an appeal shall be limited to a review of the investigation report and review findings. The review shall be for one or more of the following purposes:
   a. If the student can demonstrate new and significant evidence that would substantially alter the findings of fact, not previously known to the appellant that has been discovered, and is newly available during the appeals process. The new evidence could not have been discovered through the exercise of reasonable diligence, and the absence of which was sufficient to materially affect the outcome.
   b. If the student can demonstrate that significant procedural errors of The Code process occurred that were substantial enough to effectively and detrimentally affect the outcome.

7. If an appeal is upheld by the appellate body, the matter shall either be referred to the original Administrative Review Committee to allow reconsideration of the original determination or the appellate body will determine any change. If an appeal is not upheld, the matter shall be considered final and binding upon all involved.

8. All parties to an appeal will promptly receive simultaneous written notice of the
outcome of the appeal.

J. Accommodations for Students with Disabilities

1. Students with disabilities must be afforded an equal opportunity to participate in, and benefit from, all postsecondary education programs and activities. This includes any course of study, or activity offered. Rules or polices which would limit students with disabilities from participating fully in a program or activity may not be imposed. Academic standards should not be compromised, but accommodations must be provided, on a case-by-case basis, to afford qualified students with disabilities an equal education opportunity. Faculty members should not provide academic accommodations without approval from the Ross Center for Disability Services. Instead, faculty members should refer those students seeking accommodations to the Ross Center. Faulty handbooks containing detailed information on faculty responsibilities and rights are available at the Ross Center. One may contact the Ross Center at 617-287-7430.

2. A student with a disability who desires an accommodation regarding an Educational Conference, Administrative Conference, Administrative Review, or Appeal Meeting must request an accommodation by following the procedure for requesting an accommodation through the Ross Center. The Ross Center will make a determination regarding the request and notify the appropriate parties. A student will not be considered to have a disability unless and until the student registers with the Disabilities Resources Office. Please contact the Ross Center to obtain for further information.

Part V: Interim Administrative Action

1. The Vice Chancellor for Student Affairs, or designee, may impose an interim “University Suspension,” an interim “Removal from Housing,” an interim “Loss of Recognition,” and/or other necessary restrictions on a Respondent prior to or during an Administrative Review of the Respondent’s alleged violation. Such action may be taken when, based on the information provided and in the professional judgment of a University official, a threat of harm to persons or property exists, or to protect the safety of any person.

2. Interim administrative action is not a sanction. It is taken in an effort to protect the safety and well-being of the Complainant, Respondent, other members of the University Community, the University, or property. Interim administrative action is preliminary in nature; it is in effect only until an Administrative Review has been completed. However, violations of interim administrative action may result in additional violations and sanctions including University Suspension, University Expulsion, or Loss of Recognition.

3. The University is committed to supporting victims by providing Interim Measures when appropriate. For a list of Interim Measures, please see (umb.edu/sexualrespect)
Part VI: Maintenance and Review of Conduct Files

1. Student conduct files are deemed educational records and are maintained separately from any other academic or official file at the University by the Dean of Students or designee. Generally, information from the files is not released without the written consent of the student. However, certain information may be provided without a student’s prior consent to individuals within the University who have a legitimate legal or educational interest in obtaining it, and to individuals outside the University under certain circumstances. (Please refer to the Rights as a Student and FERPA Guidelines for Staff)

2. In the discretion of the University, sanctions of “Suspension” and “Expulsion” may be noted on the student’s official transcript. A suspension may be noted until graduation or seven (7) years following the end of the period of suspension, whichever occurs first. An expulsion may be noted permanently.

3. A student conduct file is maintained chronologically by incident date and then by Respondent. A student may have more than one file. Generally, a Conduct File, including related documents, will be kept seven (7) years from the date of the incident. The student conduct file of an expelled student shall be retained indefinitely. Information contained in the incident database is maintained for seven (7) years from the date of the incident.

4. In situations involving both a respondent and student who believes he/she was victim of a student’s misconduct, the records of the process, if any, will be considered to be the educational records of both the charged student and the student who believes himself/herself to be the victim because the educational career and chances of success in the academic community of each may be impacted.

Part VII: Interpretation and Revision

1. Any questions of interpretation regarding The Code shall be referred to the Office of the Dean of Students, or designee, for determination. The Dean of Students’, or designee’s, determination is final.

2. The Code shall be reviewed at least every three (3) years under the direction of the Vice Chancellor for Student Affairs. Substantive revisions shall be approved by the processes established by the University.

3. Questions, comments, and suggestions should be forwarded to the Office of the Dean of Students. The Code may be reviewed annually by the Office of the Dean of Students.
Appendix A: University Massachusetts Boston Good Samaritan Procedures

The University of Massachusetts Boston (UMB) is dedicated to maintaining a safe and healthy community for our students. As such, The Code of Conduct reflects these priorities by prohibiting the use of substances in manner that is dangerous and/or unlawful.

The Good Samaritan Procedures serve as a supplement to The Code of Conduct and UMB’s Alcohol and Drug Policies, and is designed to encourage good Samaritans and help-seeking behavior for individuals requiring medical assistance. This policy may provide amnesty from consequences through Student Code of Conduct, but does not preclude hospitalization, protective custody, interim suspension, or other actions deemed relevant for student safety. Students are strongly encouraged to call 911 or Public Safety’s Emergency Line at 617.287.1212 to request medical assistance when they or others may be:

1. dangerously intoxicated/ under the influence of alcohol/drugs; or,
2. experiencing any medical emergency.

This policy applies to students seeking medical assistance for themselves or for another person, and who act in accordance with the expectations set forth in this policy. It also applies to any student for whom medical assistance was sought. Under this policy:

1. When students contact the Department of Public Safety or another appropriate staff member (e.g. Faculty, Security Desk Attendant (SDA), Community Ambassador, Resident Assistant on Duty, etc.) seeking medical attention, neither the reporting student nor the student for whom medical assistance was sought will be subject to a Student Conduct complaint for possession, consumption or intoxication under the University’s alcohol or drug policies.
2. In order to qualify for “medical amnesty” under this procedure, students who seek assistance for another person must remain with that individual (assuming the student is present at the scene) until University Police or other designated first responder (e.g., ambulance, Fire Department) arrives on scene. It is expected that individuals involved in this process cooperate fully with first responders.
3. This procedure does not apply to individuals requiring medical assistance for alcohol- or drug-related issues who do not seek assistance, for whom no assistance was sought, or who have already been brought to the attention of University staff or emergency responders. For example, this procedure would not apply to an intoxicated individual whom the police discover creating a disturbance on campus.
4. When it is the opinion of the Dean of Students or designee that the continued presence of a student constitutes a danger to the student, or to others, the imposition of interim suspension or other temporary restrictions deemed necessary shall not be precluded under this procedure.
5. In order to qualify, the student(s) will be required to:
   a. attend a meeting scheduled by the Dean of Students or designee;
b. attend a meeting with a counselor at the University Counseling Center and/or a staff member at Wellness Education if required by the Dean of Students or designee; and,

c. act in accordance with all student expectations outlined in this procedure.

d. This procedure applies to UMB alcohol and drug policy violations related to possession, consumption, and intoxication. It does not prevent a complaint being filed against a student for other Student Conduct Code Regulations (e.g., assault, distribution of illegal substances, etc.), nor does it prevent police/criminal action.

e. Repeated incidents resulting in the application of this procedure would be of great concern to the UMB. In such cases, the UMB reserves the right to take disciplinary action on a case-by-case basis and decline to grant amnesty.
Appendix B: Academic Honesty

It is the expressed policy of the University of Massachusetts Boston that every aspect of academic life—including formal coursework situations as well as all relationships and interactions connected to the educational process—shall be conducted in an absolutely and uncompromisingly honest manner. The university presupposes that any work submitted by a student for academic credit indicates that the work is the student’s own and complies with university policies. In cases where academic dishonesty is discovered after completion of a course or degree program, sanctions may be imposed retroactively up to and including revocation of the degree. Any student who reasonably believes another student has committed an act of academic dishonesty should inform the course instructor of the alleged violation.

Section I. Academic Honesty Violations

The university defines violations to include but not be limited to the following:

1. Submitting an author’s published or unpublished work (e.g., material from a journal, Internet site, newspaper, or encyclopedia) as one’s own in whole, in part, or in paraphrase without fully and properly crediting the author.

2. Submitting materials or work obtained from another student, individual, or agency as one’s own without full and proper attribution.

3. Submitting material produced through unacknowledged or unauthorized collaboration with others as one’s own.

4. Submitting substantially the same work to more than one course without prior approval from all instructors involved: i.e., dual or multiple submission.

5. Using any unauthorized material during an examination, such as notes, tests, calculators, cell phones, PDAs, or other electronic or mechanical communication devices. Abuse of cellular devices with photographic capabilities and use of devices for purposes of photographing test questions or other notes and materials are also prohibited.

6. Obtaining answers to examination questions from another person with or without that person’s knowledge, furnishing answers to examination questions to another student, or using or distributing unauthorized copies of an examination or notes from an examination.

7. Submitting an examination taken by another person as one’s own or taking an examination in another person’s place.

8. Gaining or seeking to gain unauthorized access to or altering or destroying the paper or electronic files of a student, faculty member, or staff member for the purpose of gaining better academic standing and success.
9. Failing to adhere to professional standards or ethics of a discipline and/or violating the rules of an agency in the course of completing fieldwork, internship, practicum, student teaching, or clinical placement.

10. Interfering with an instructor’s ability to evaluate accurately a student’s competence or performance; misleading any person in connection with one’s academic work.

Section II. Academic Dishonesty Procedures

1. Before reporting a suspicion of academic dishonesty, the faculty member may discuss the matter with the student and/or the faculty member’s chair (in cases involving undergraduate students) or graduate program director (in cases involving graduate students), or otherwise investigate the circumstances of the alleged violation. If the faculty member determines after such consultation and investigation that academic dishonesty did not in fact occur, no formal charge of academic dishonesty will be made.

2. To initiate formal proceedings, a faculty member who suspects a student of academic dishonesty must inform the student in writing of that fact within ten (10) business days of the discovery of the alleged violation. Such written notice should inform the student of the factual basis for the charge and the specific sanctions the faculty member proposes to impose and any university sanctions he/she may recommend to the Associate Vice Provost of Undergraduate Studies (AVP) or the Dean of Graduate Studies (Dean), as appropriate. The letter should also inform the student that s/he may be subject to university sanctions imposed directly by the AVP/Dean beyond those recommended by the faculty member. The faculty member shall offer to meet with the student and the faculty member’s chair (in cases involving undergraduate students) or graduate program director (in cases involving graduate students) to discuss the case. No more than ten (10) business days after meeting (or offering to meet) with the student, the faculty member may impose penalties within his/her purview and so inform the AVP/Dean. If the faculty member, after meeting with the student, determines that the student did not commit academic dishonesty, s/he will so inform the student and AVP/Dean in writing. If no penalty has been imposed within the specified timeframe, the charges shall be considered dropped.

All correspondence concerning an allegation of academic dishonesty should be copied to the faculty member’s department chair (for undergraduates) or the faculty member’s graduate program director (for graduate students), the faculty member’s college dean, the Associate Vice Provost of Undergraduate Studies (for undergraduate students) or the Dean of Graduate Studies (for graduate students), and the Office of the Vice Chancellor for Student Affairs. The chair/graduate program director and/or relevant college dean(s) may, at their option, consult with the faculty member and/or student, review the case, and make separate recommendations to the AVP/Dean regarding university sanctions.

3. Academic dishonesty by graduate students lies primarily within the purview of the Dean of Graduate Studies, who will determine whether to apply university sanctions in a particular case. The Dean’s decision will be informed by any recommendations made by the student’s graduate program director and/or college dean. Academic dishonesty by undergraduate students lies primarily within the purview of the college deans. For the purposes of these procedures, the
college deans delegate responsibility for determining whether to apply university sanctions in a particular case to the AVP. The AVP’s decision will be informed by any recommendation made by the faculty member’s chair and will be made in consultation with the college dean(s) involved; it is further subject to review and revision by the faculty member’s college dean. Within (10) ten business days of the notification of the faculty member’s imposition of sanctions, the AVP/Dean will review the case. In doing so, s/he may choose to interview or question the parties involved or otherwise investigate the case. The purpose of this review is to consider the imposition of university sanctions. At the end of this review, the AVP/Dean may impose additional university sanctions, including but not limited to those listed in Part IV. F. 8 and 9 of the Student Code of Conduct. University sanctions will normally be imposed for violations of an especially serious nature or in cases of repeat offense.

4. The student may submit an appeal in writing to the Provost/Vice Chancellor for Academic Affairs, copying the Office of the Vice Chancellor of Student Affairs, within (10) ten business days of the AVP/Dean’s imposition of university sanctions or (10) ten business days of the expiration of the period of time available to the AVP/Dean to impose such sanctions, whichever comes first. The Provost/Vice Chancellor of Academic Affairs will convene an Appeal Panel, consisting of 3 to 4 faculty members and 2 students from the standing membership of the Joint Discipline and Grievance Committee, and instruct the panel to review the case by convening a hearing. At this hearing the panel will, at minimum, interview and question the student and faculty member. The Provost/Vice Chancellor of Academic Affairs will appoint a member of the panel to serve as the Chair.

5. Within (10) ten business days after completion of its hearing and review, the panel will make a report of its findings and recommendations to the Provost/Vice Chancellor for Academic Affairs. Within (5) five business days of receiving this report, the Provost/Vice Chancellor for Academic Affairs will uphold, reverse, or modify the faculty member’s and AVP/Dean’s decisions. Modifications may include any of the sanctions listed in Part IV. F. 8 and 9 of the Student Code of Conduct. The decision of the Provost/Vice Chancellor for Academic Affairs is the final university disposition of the matter and is not subject to further appeal except in cases of expulsion. Students may appeal an expulsion to the Chancellor within 10 business days of the Provost/Vice Chancellor for Academic Affairs’ decision to expel.

**Section III. Academic Dishonesty Sanctions**

1. Faculty members may impose one or more of the following sanctions:
   - A failing grade in the assignment in which the infraction occurred.
   - Forced withdrawal: the student is required to withdraw from the course. A grade of W will appear on the transcript and there will be no refunds of tuition, fees, or other charges.
   - A failing grade in the course or competency in which the infraction occurred.
   - Recommendation of additional sanctions: The faculty member, in cases of an especially serious nature, may recommend to the AVP/Dean the imposition of additional penalties, including those listed in this Code for misconduct.
2. Sanctions to be imposed by the Associate Vice Provost of Undergraduate Studies and/or the Dean of Graduate Studies are university sanctions and are described in detail in Part IV. F. 8 and 9 of the Student Code of Conduct.
Appendix C: Sanction Chart

In the interest of creating a clear and transparent policy, the following list establishes the potential sanctions that the University may impose to address first-time violations of specific behavior. Please note that this list is not exhaustive. Sanctions will be determined based on the nature, severity, and impact of the violations, and they will be imposed in progressive levels.
