Training – Ensuring ALL Documents in Blackboard are Accessible
December 5, Healey Library, Lower Level, Presentation Room 6
12 – 1:00 p.m.
Content placed in Blackboard needs to be Accessible. To help identify content that is NOT accessible in Blackboard, ITS has invested in a software package – ALLY. This app identifies documents that are not accessible and, in many cases, will suggest/recommend ways for you to make them accessible. Please note, however, in a majority of cases, new documents need to replace old inaccessible ones, thereby making education accessible to all.
