**Connect with Us**

UMass Boston, with 16,847 enrolled undergraduate and graduate students in fall 2016, is nationally recognized as a model of excellence for urban public universities. The university’s 11 colleges and schools offer 80 undergraduate programs and 132 graduate programs (including 49 master’s and 30 doctoral programs). The Honors College serves 624 students who thrive on intellectual challenge. Enriched courses probe more deeply into theory or venture further into application.

UMass Boston’s diverse student body provides a global context for student learning. Its location in a major U.S. city provides connections to employers in industries such as finance, healthcare, technology, service, and education. Students are offered many opportunities to gain valuable in-school experience via internship, clinical, and other career-related placements.
