Connect with Us

UMass Boston, with 16,415 enrolled undergraduate and graduate students in fall 2017, is nationally recognized as a model of excellence for urban public universities. The university’s 11 colleges and schools offer 83 undergraduate programs and 130 graduate programs (including 49 master’s and 29 doctoral programs). The Honors College serves 763 students who thrive on intellectual challenge. Enriched courses probe more deeply into theory or venture further into the application.

UMass Boston’s diverse student body provides a global context for student learning. Its location in a major U.S. city provides connections to employers in industries such as finance, healthcare, technology, service, and education. Students are offered many opportunities to gain valuable in-school experience via internship, clinical, and other career-related placements.
