Important Travel Information – Please Read

To re-enter the U.S. you will need: a valid passport, six months into the future, a valid visa stamp, a Form I-20 with travel endorsement (valid for one year). You will receive a new I-94 card upon re-entry. (You must bring a photocopy your new I-94 card and (if applicable) new visa stamp to the ISSS Office when you return.)

VISA RENEWAL: If you need to renew an expired F-1 visa, you should check the U.S. embassy or consulate website in your home country for information regarding procedures, applications, deadlines, and fees. Procedures vary from consulate to consulate, so be sure to check with your U.S. Consulate or Embassy for specifics. You can find links to U.S. Consulates worldwide at http://usembassy.state.gov. You can verify that you have paid the I-901 (SEVIS) Fee at www.fmjfee.com and print out a receipt. If you have questions about visa renewal, please schedule an appointment to meet with an immigration advisor.

ELECTRONIC I-94 CARDS: When you return to the US, it is highly recommended you download your electronic I94 card at https://i94.cbp.dhs.gov/I94.

I have read and I understand the above information on visas and travel procedures.
