Each degree-seeking graduate student is required to maintain continuous registration until the degree that the student is seeking has been formally awarded. If a graduate student does not register for course, thesis, or dissertation credits during any semester, the student must be on program fee status. You should go to wiser.umb.edu and enroll for CAS 600 in the section designated for your graduate program or fill out this form and you will be billed for the $225.00 program fee.

If add/drop has ended or if you are paying the program fee(s) for previous semester(s), do not use this form. You will need to complete a Graduate Readmission Application found on our forms page: https://www.umb.edu/registrar/forms.
