**Permit Placement**

See instructions below on where to affix your parking permit sticker:

- Put the sticker on the passenger window (on the driver’s side) in the upper left corner of the window.
- If the vehicle has only one side window: place the sticker on the upper right corner of the driver’s side window
- Motorcycles: Clearly display the sticker on the front fender or fork.

For dark tinted windows – before affixing, contact parking services at 617.287.5041
