

# The University of Massachusetts Boston: IB Chart

*At UMass Boston entering students may be awarded university credit for exhibiting college level proficiency through International Baccalaureate (IB) examinations. The following chart is a list of IB Examinations for which the university awards course credit. Credit is only awarded for Higher Level Exams and where a score between 4-7 is earned. Official IB Diploma Certificate is required. This chart is effective for incoming students fall 2022 or later.*
