

## Accessing Funding Databases from a Computer Without a UMass Boston IP Address

Community of Science, SPIN, Genius, and The Grant Adviser Plus can be accessed using the following procedure.

1. Visit the Official UMass Boston Website at <http://www.umb.edu/>.
2. From the "Library & IT" dropdown menu select "Library."
3. From the "Quick Links" list select "Databases & Indexes."
4. Using the "Browse by first letter" feature, click on the appropriate letter of the alphabet.
5. Scroll down until you see the database.
6. Click the link to the database. The Healey Library – Login for Remote Access window will appear.
7. Type your last name (lower case) as it is spelled on your UMass Boston identification card.
8. Type the barcode found on the reverse side of your UMass Boston identification card.
9. Click on the "OK" button.
