WHAT IS THE 2020 CENSUS?

The 2020 Census is a survey that counts all the people living in the United States. The census is only done every 10 years and is an opportunity to secure financial resources for our schools, roads, seniors, etc. and give a more stable future to our cities.

WHO CAN PARTICIPATE?

All people living in the United States are counted and can participate in the census: citizens, refugees, and all immigrants regardless of immigration status, language or age. Remember to count your small children and babies!
