How-To Apply For Housing: 23-24 Academic Year

- Accept your admission to UMB
- Submit your $200 new student enrollment fee and your $300 housing deposit through Beacon Gateway.
- Complete your enrollment Checklist through Beacon Gateway

Claim your UMB Email Account - your UMB email must be active to complete the housing application & license agreement

24 business hours after having submitted your Housing Reservation Fee, log into your Housing Portal with your newly created UMass Boston credentials & complete your housing application.

*Please review all information in your housing application to ensure it is accurate*

Once your housing application is successfully submitted it will be processed overnight. It will be reviewed the following business day by the Housing Office.
After review of your housing application, a housing agreement will be sent to you and your guarantor from "HelloSign". The email will go to the student first. Then, once those sections have been completed, the guarantor will receive an email to complete their sections.

*Students and their guarantor will be required to provide their Social Security Number on the housing agreement*

*Students without a Social Security Number will be sent a self-guarantor housing agreement*

Once the student and guarantor have submitted their sections of the housing agreement, the housing office will review the agreement for completion and sign the document.

Once all these steps are completed accurately, you will receive an email confirmation letting you know that the student has secured a space on-campus. As a reminder - this does not guarantee a specific room/room type.

During the application process, if you have any questions please email us at housing@umb.edu

On-Campus Housing is not guaranteed
Housing is given on a first come, first served basis, with priority given to incoming first year students.
