# Flex Space Map Transcript

Upon entering Room 2-204, immediately to the right are lockers a table and the kitchen area.

Moving straight ahead, the first set of cubicles on the right are 204 through 209. The even numbered cubicles are on the right, and the odd numbered cubicles are on the left.

Continuing on, there are three cubicles on the left, 201, 202, and 203.

Across from cubicle 203 are another set of cubicles on the right, 210 through 215. The even numbered cubicles are on the right, and the odd numbered cubicles are on the left.

Moving forward, on the left is a Conference Pod on the left. On the right is a table with 3 chairs, and 3 more cubicles, 216, 217 and 218.

After cubicle 218 is a conference room with a table and seven chairs.

Past the conference room is the lounge area, where there are five chairs along the wall. Continuing left is another chair, followed by a table with 4 stools facing the outside wall.

Next are cubicles 101 through 106. The even numbered cubicles on the right and the odd numbered cubicles on the left.

After cubicles 105 and 106, turning to the right, on the right is the printer. One the left are mailboxes.

Moving past the mailboxes and printer, turning to the right are cubicles 17 through 22. The even numbered cubicles on the left and the odd numbered cubicles on the right.

Turning left, instead of right, are cubicles 11 through 16. The even numbered cubicles on the left and the odd numbered cubicles on the right.

Moving straight ahead, instead of left or right, is the emergency exit.

Back at the mailboxes and printer, with cubicles 101 through 106 on the left, on the right are lockers. Turning right, moving past the lockers are cubicles 115, 114, and 113, followed by more lockers. Across from cubicles 115, 114, and 113 are cubicles 107 through 112. The even numbered cubicles are directly across from cubicles 115, 114, and 113.

Once you have passed the second set of lockers on the right, turn right and then right again, and you are back at the entrance to this office area.
