

BIOLOGY FACULTY, GRADUATE STUDENTS AND POST-BAC STUDENTS

Beta Beta Beta (TriBeta) Biological Honors Society

Theta Omicron Chapter, UMass-Boston

TriBeta is a national biological honors society founded in 1922, with over 430 chapters and more than 175,000 members. The goals of TriBeta are to promote interest in the biological sciences and to support and promote student research. TriBeta holds national and regional conventions and publishes a journal, BIOS, in which students can publish their work. Chapters have regular meetings and organize activities in the spirit of the goals of TriBeta.
