Business Card Examples

Quinn Graphics offers five templates for university business cards.

Please refer to the examples below to determine which template option is appropriate for your needs.

For *all* iterations, users may list:
1 university email address;
1 university website;
up to 3 accreditations from the drop-down lists;
up to 2 university phone numbers; and
up to 3 pronouns.
Names, Titles, and Departments **must** match those listed in HR.

Non-university numbers, addresses, and URLs are not allowed.

ALL iterations will have the following on the back of the card:

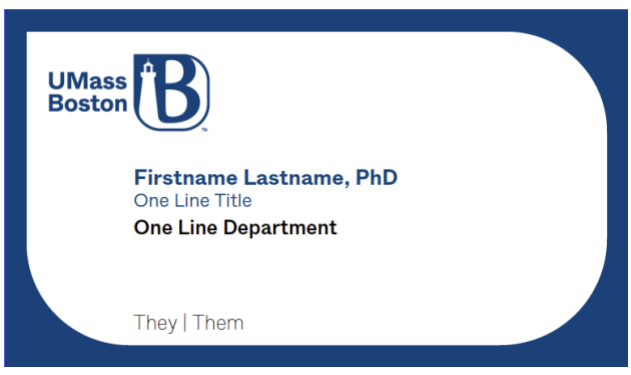

Campus address, university phone number(s),
university email address, university website, and a
QR code with the user's contact information.

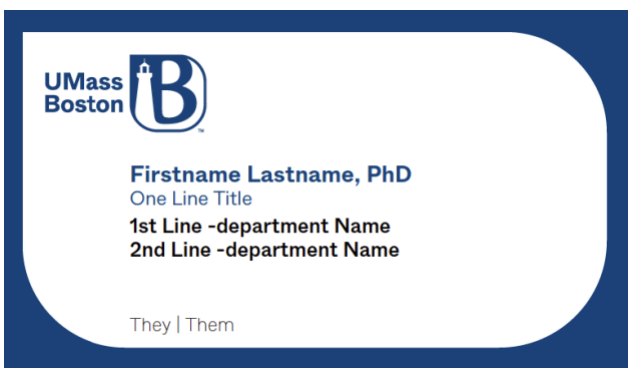

(The QR code cannot be changed after the job is submitted.
Please make certain the data is correct, and allowed,
before accepting the proof.)

There are 5 options for the front of the card:

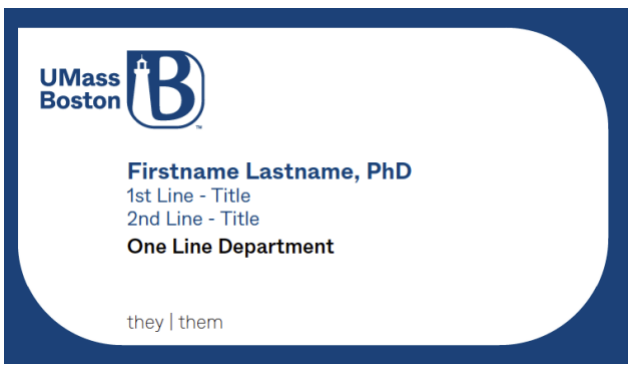

One-Line Title,
One-Line Department
