

## Undergraduate Research Fellowship (URF) Mentor

When a mentor receives an email request to be a student's mentor for an Undergraduate Research Fellowship. Below are the questions a URF Mentor will be required to answer, submit in their portion of the student's form application.

- Research Project Title
- What is the expected number of hours per week the student will be working in your research group?
- How do you anticipate using the funding should the student be awarded the Fellowship?
- File upload: Please use [this CSM-URF Sample Document](#) to upload a Research Proposal that describes the research project that the student will be working on.
