

## CONSTRUCTION ACTIVITY NOTICE

July 23, 2025

**What** McCormack Building Power Shutdown

**When** Thursday, July 24, 2025 / 09:00 PM to 05:00 AM

### Work Notice Description

As part of the required electrical upgrades, a series of building power shutdowns are required to support the installation of new equipment. This work will require that the building's electricity be shut off for a period of 8 hours. Emergency generators will be running while the normal power is off serving life safety (exit lights, elevators, ...) and those outlets previously dedicated to back up power.

The first power outage is scheduled for July 24<sup>th</sup> in McCormack Hall. Facilities staff have been working with our Environmental Health & Safety department to identify critical lab and other equipment that is either already on emergency power or making alternative arrangements during the power outage. A prior notification was issued by EH&S for this shutdown.

### What to Expect

During the building shutdown:

- Normal power will not be on; occupants should plan to turn off their computers and other equipment when leaving on the day of the scheduled shutdown for their building.
- Emergency power will be provided and support those operational needs already on emergency circuits.
- Returning to work the following day will require that computers and other equipment be restarted by pressing the power button.
- Food items within refrigerators that cannot last 8 hours should be removed.

### Point of Contact

If there are questions, please contact Facilities by email or phone at:

- Facilities Service Response ([Facilities@umb.edu](mailto:Facilities@umb.edu))
- 617-287-4540

---

**DISTRIBUTION LIST:**

**ACADEMIC**

Ricardo Castano, Acting Dean CSM  
Laura M Lopes, Assistant Dean CSM  
Carol S Thornber, Dean SFE  
Aimee M Bonanno, Assistant Dean SFE  
Venky Venkatachalam, Dean COM  
Lucia Silva Gao, Associate Dean COM

**STUDENT AFFAIRS**

Michael C Metzger, Assistant Vice Chancellor Student Affairs  
Stacey Y Lloyd, Chief of Police

**RECREATION**

John R Pagliarulo, Assoc Athl Dir, Rec & Finance

**EHS**

Zehra Schneider Graham, Dir Environmental Health & Safety

**RESEARCH**

Matthew L Meyer, Assoc Vice Provost/Dir of ORSP  
Serena Yan Wang, Rsrch Core Fac and Ops Mgr  
Matthew Bell, Department Chairman Engineering

**IT**

Jamie Soule, Director Network Services  
Kurt Charlton, Operations Technician
