*Movie Remakes and Franchises*

	Verevis	Washington	Oller
<b>Why does Hollywood continue to focus on releasing remakes and franchise movies?</b>			
<b>How do remakes and franchises illustrate what our society values in our media?</b>			
<b>How can consuming media with diverse stories and representation affect us?</b>			
<b>What do we miss out on if the movies we watch don't focus on newer stories and diverse representation?</b>			
<b>How could we address the lack of diversity and representation in movies?</b>			

This is not an outline for an essay. It is a useful tool for organizing your thoughts and materials. To use the form, put the page number of the sentences or quotations into an appropriate cell. Then, working one row at a time, you will be able to identify the ways that the sources intersect with or disagree with each other. Doing this will help you to form paragraphs that are about the commonalities and differences between the readings.
